Sunday Reflection

Today we celebrate the Feast of the Most Precious Body and Blood of Christ. He gives Himself to us, not as a symbol, not just as a remembrance, but His actual Body to eat and His blood to drink, as nourishment, as food for our journey through life and beyond, into Eternity. At every Mass, a miracle happens, where Christ appears, just as He appeared to the Apostles after His Resurrection, and at the Transfiguration. Every time we receive the Eucharist, Christ comes into us, in His Resurrected Body. It is with the eyes of faith that we see Him. It is with our heart that we take Him in, that He sustains us in our daily lives, in our relationships, in our joys and sorrows. And He comes to us through each other. Christ's great wish for us is Oneness. And in sharing in the Eucharist, we become the Body of Christ. We are not alone. We have each other, bonded in the greatest love in Heaven and on earth, to support, encourage, inspire and serve one another. This feast reminds us of Christ actually in our midst, in all His Goodness and Love, and gives us the joy of belonging to Him and to each other as we make our way back to God, and together, change our part of the world.

For Lent, 4K made an Almsgiving Box. We wanted to collect spare change and even some dollar bills to help someone or something in need. We LOVE animals and believe it is so important to take care of God's precious creations. We work hard each day to take care of our plants, our classroom critters, and help the occasional little insects find their way back home after they wander into our classroom. Therefore, we decided as a class to gift our Almsgivings to the Horicon Marsh. Liz stopped by to gratefully accept our donations and talk to us a bit about where our gift of money would be used. We found out that it will be used to get food for Marshall, their giant turtle greeter along with food and water for other critters. After filling up our donation box and talking with her during her visit, our hearts are so full!

Second Graders gave their last monthly presentation this week. The topic was "My Second Grade School Year". It included favorite memories, what they will miss the most and what they are proud of themselves for, among other things. Mrs. Lemens is so proud of their progress this year with their presentations. They've all done such a good job!

Dear friends and family,

Due to our increased enrollment and expansion to 3rd grade we are in need of some classroom supplies and furniture. I was able to find most of the items on buy, sell, trade. The items still needed are: a lunch table, kids classroom round tables (2 doable, 3 optimal), and long (not tall) book shelves with 2 or 3 shelves. The lunch table is approximately \$2800, the round tables are \$275 each and the book shelves are \$300 each. If there is someone that has the talent to make the shelves that would be fantastic. I could meet with that individual and let them know what we need.

If you would like to donate to our classroom needs, please send your donation to the school office labeled "classroom needs". Thanking you in advance for your help and generosity.

Blessings to you,
Mary Yauck, Principal

Many of you asked to view the book. It will be at St. Mary's on June 4, 11, 18. Please **DO NOT REMOVE** it from the church! If you do not get a chance to see it, it will also be available in the parish office after it has made the rounds.
