March “Generations of Life – Seniors Rooted in Christ” Committee Report

The February 29th motorcoach trip to Wisconsin Dells for BINGO and Casino Time through Kim’s Tours was very good. There were 14 members of our parishes who took part in the day.

The March 11th Senior Enrichment Fair was successful, with over 50 attendees and a dozen vendors. Vendor fees and donations will help us fund several more events. A big contribution to our day was the donation of pizzas by Ray and Joanne Collien. The committee was grateful for this large donation. The pizzas were served for lunch at this event. All committee members brought a dessert. The ads placed in several newspapers were free and we received advertisement from other community sources at no charge. Attendees were grateful for the experience and most were pleasantly surprised how much they learned from the presenters.

March 25th BINGO will be offered at St. Mary gymnasium 1-3 pm.

Upcoming Events:

APRIL EVENT:

April 15th – Hawaiian Luau at The Meeting Place 1:30-3:30 has been confirmed. Attendees may dress up if they wish...with prizes to the best dressed. The Committee continues to plan this event.
