### Sunday Reflection

Our first reading from the Book of Chronicles, could have been written today in our time and place. There was infidelity, practice of all abominations, pollution of the Lord's Consecrated Church. The Lord has sent His messengers, faithful ones, but they are ridiculed, scoffed at, despised. And we sit and weep. But we the faithful know our God is rich in Mercy because of His great love for us. That doesn't make living in these times easier, and we can't imagine how things can ever be changed. But we are not God. We do know that "God so loved the world that He gave His only Son so that everyone who believes in Him and is faithful, might have Eternal Life." He is our Light in the darkness. Never before has Hope been so vital for us to hold on to.
