THE EPIPHANY OF THE LORD

When Jesus was born in Bethlehem of Judea, in the days of King Herod, behold, magi from the east arrived in Jerusalem, saying, "Where is the newborn king of the Jews? We saw his star at its rising and have come to do him homage." - Mt 2:1-2

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

Sunday Reflection

The Magi set out because of a deep desire which prompted them to leave everything and begin a journey. It was as though they had always been waiting for that star. It is the mystery of God's call. At last, they came to their destination -- their encounter with Jesus. And their lives were changed. God has placed a star in each of us. A Guiding star. A desire for God Himself. Like the Magi, let us make our lives a desire for finding God, following that star in us, offering Him the gift of our selves, the gift of our lives.

**St. Mary School 3K – 3rd Grade Christmas Program
December 19, 2023**

The cast of our 2023 Christmas Program held on Tuesday did an excellent job! Thank you to everyone who was able to attend. It means so much to our students and staff to see so many families in attendance!

A Message from Your Health Ministry Board. Are you going to make a New Year Resolution for 2024? How about something different this year? We humans are multifaceted, we have physical, mental and spiritual components in our make-up. We are overwhelmed with ads to improve our physical side. Weight loss, hair loss, Botox the list goes on and on. How about a resolution for your spiritual health? Like what? How about attending Mass more regularly if that applies or add a weekday Mass to your schedule. The internet has abundant choices for a Bible verse a day, a devotion a day, a Saint a day, a Pope a day and a prayer a day. How about being an over-achiever and challenging yourself to one of the Bible in Year options? How about volunteering for a committee position, be a youth formation teacher, become a Eucharistic Minister, Mass server or any of the other choices available? Of course it is not too late to get a flu shot. Don't forget to wash your hands there are a lot of bad germs everywhere. We hope we've given you something to think about.

Our 2nd and 3rd graders made nativity ornaments during religion class this week.

St. Mary School kindergartener Paolo Gudiel Fabian had a "Picnic with the Principal" on Wednesday, Dec. 20. Mrs. Yauck said that Paolo started talking to her about his Happy meal toy the minute she walked into the gym. Paolo talked a lot about his friends at school and how much he likes everyone. When asked what he likes best about playing with his friends, he said "Everything! I like playing with all the kids because everyone likes to play different things". Paolo likes his kindergarten class too. They do a lot of fun things and "then work that makes them learn". Mrs. Yauck asked Paolo what he likes to do when he is not at school and he said that he plays with his mom, dad, and brother. They play hide and seek but his dad always finds him because he hides in his bed every. Paolo said that he also likes having play dates with his friend Samantha and Marcello.
